Mass Meeting Is Called To Oppose Gas Tank Construction

Planning Commission Postpones Action for One Week

Action on the Pacific Gas and Electric Company's proposal to erect a huge gas storage tank in Albany was postponed until next week when the Planning Commission met Monday night at the City Council chambers packed with citizens for and against the project. Since Commissioner Vernon Easter was called suddenly to the east and William Garren was also absent, Chairman E. C. Blow moved the matter be held over one week.

Speaking for residents opposed to the P.G.&E. request for rezoning of a tract of land west of Albany Hill for construction of the 500,000 tank and compressor building, Charles Lyons of 709 Third St. announced a meeting will be held in the Cornell School auditorium at 8 p. m. on Thursday, May 6. He said opponents of the tank must map ways to fight the construction of the tank. Howard, Berkeley district manager for P.G.&E. promised representatives of his company will be on hand to answer questions and further discuss the matter.

Lyons' announcement came after reading of a letter signed by James F. Moulton, vice-president of the company, making an official request for construction of the tank here. He put forward four reasons for the request: (1) Proper and effective gas service for this section of the East Bay; (2) favorable geological conditions for the support of the 500 tank; (3) convenient location for a main gas line and (4) separation from the residential area of the city. Opponents of the project say rezoning of the land and construction of the tank would depreciate property values, constitute a fire hazard to the area to unwanted industry and create an "eyesore."

Berkeley YMI in Lead of Albany Softball League

The Berkeley Y.M.I. defeated the Albany Civic Club 6-3 at Codornices Victory Field Sunday, May 2, in the Albany Recreation Department Spring Softball League. The Braves scored 2 runs in the first inning in the third and were leading until the Berkeley Y.M.I. came back and scored 2 runs in the 5th, 6th, and 7th.

In the second game, the Gilvets defeated the Albany Post Office 15-8. The Gilvets scored a total of 16 hits against the Post Office. Leading slugger for the Gilvets were right fielder Marconi who collected 3 for 5, Smale, the catcher, with 3 for 5.

Over at Memorial Park, the Albany Maccabees downed the Cornell Dads by a score of 18 to 1. Leading batters for the Maccabees were A. Orio with a perfect day in the circle collecting 4 for 4 and pitcher Phil Vercelli 4 for 5. Gould of the Maccabees turned in a nice game of chucking along 1 hit.

The second contest saw the Marin PTA defeat the El Cerrito Y.M.I. by a score of 7 to 1. Stan Smith, pitcher for the El Cerrito Y.M.I., and now pitching for the Dads, allowed 7 hits while the Cornell of the Y.M.I. was touched by 11. Leading the attack for the Dads was catcher Balas with a total of 3 for 3 while his teammate playing right field, collected 2 for 3. There are no games scheduled for Sunday, May 9th, Mothers' Day.

Women of Community Church Plan Annual Spring Luncheon

May 7 has been chosen as the date for the spring luncheon presented annually by the women of the Albany Community Church.

This year the theme is the Gold Centennial and will feature mementos of 100 years ago in decoration, costume and atmosphere.

Following luncheon, which will be served at 1 o'clock, Mrs. Harold Stone, well known in the East Bay for her finished presentations of plays and musical reading, will give a dramatic rendition of the book "Out on a Limb," by Louise Baker. Mrs. Fred Lennox, will sing a group of vocal selections.

Tickets are 75 cents and the public is invited. Reservations will be accepted by calling LA. 5-7326 or LA. 5-7093. Tickets may also be purchased at the door on Friday.

Cook-Walliston Vows Exchanged at Altar

Northbrae Community Church was the scene of the recent wedding which united in marriage Jean Adair Cook and Howard Walliston.

The bride is the daughter of Mr. and Mrs. Amon Cook well known residents of Albany, and her husband is the son of Mr. and Mrs. A. Walliston of Walnut Creek.

For the nuptials the bride chose a gown of white satin cut on princess lines with long sleeves and a rounded neck line. A fingertip length veil of tulle was secured to the coiffure with a white satin crown. Her bouquet was made of white orchids and lilies of the valley.

Attending the bride was her sister, Mrs. Enery Bryant (Mary Ellen Cook) as matron of honor and the bridesmaids were the Misses Laura Hill of Richmond, Kay Heasloop and Chis Hoffman of San Francisco. The matron of honor was gowned in pink crepe and the bridesmaids were in blue crepe. They carried nosegay bouquets of mixed spring flowers. Joan carried an heirloom lace handkerchief which belongs to the groom's grandmother.

Mr. William Edlering stood with the groom as his best man and the ushers were John Teagarten, Allen McGreager and John Erickson.

Following a honeymoon in the north the newlyweds will make their home in Richmond.

Pete Chelemedos of World War fame is visiting his parents Mr. and Mrs. Dan Chelemedos, grocers at Solano and Masonic Avenues.

Although it may not be standard baseball equipment, the 40 pound hose nozzle is used to demonstrate the strength with which the locals expect to batter down the Berkeley Fire Department nine when they meet at Memorial Park Sunday. In the background Fire Chief Fred Pimental holds the cup won by the department in 1913 as two-year winners of the "little world series."

ALBANY FIREMEN PLOT HOT TIME FOR BERKELEY

To some citizens this character "Evil Eye" Fleagle may be just a Brooklyn bum, but to certain members of the Berkeley Fire Department he is the fair-haired boy. Rumor has it that they plan to recruit the dubious services of "The Eye" for the first game of the "Little World Series" when they meet the Albany Fire Department Sunday at Memorial Park.

But the Albany lads scoff at the alleged prowess of Fleagle and declared they have no fear of being "putrified." Interviewed at their training camp, atop the fire house, Dick McSheehy, captain of the locals said, "What we intend to do to the Berkeley gang shouldn't happen on Mother's Day."

Such is the "esprit de corps" as the two gargantuan eye each other for the big conflict scheduled to begin at 10 a. m. Their challenges are spiced with "we'll moider 'em," "Da bums," "Sladdap" and other sparkling bits of repartee.

But leave us not 'bandage' words. Hi, ho and to the facts of the fray. Poised for battle is the following stalwart lineup of stalwarts Bill (Elv Art) Hutt, pitcher; McSheehy, catcher; John Hirtz, Don Day, George Kendall, Gerald Browne, Earl Conner, Bob Baker, Ray Stanley, Vern Freeman, Ken Nickerson, Art Smith, Jim McLeod and Barney Johnson. Just to keep an eye on the boys, Fire Chief Fred Pimental will coach third base while Police Chief Stan Williams watches over first.

The Sunday School and young people's Bible class meet preceding the service at 9:45 a. m. In a vesper service at 7:30 p. m. the new Baldwin electronic organ, presented as a gift to the congregation by the Ladies' Aid Society, will be dedicated. The pastor will speak on the topic, "Instrument of Praise." Mrs. Carl Matous, church organist, will play the old instrument during the opening portion of the service, and the Rev. William T. Schreyers of Rollingood, guest organist, will play the new organ following the dedication. The service will be concluded with a brief concert by the guest organist. The public is cordially invited to attend this service.

Marin PTA to Hear Supervisor of Child Guidance Center

"Understanding Our Children" will be the topic discussed by Mrs. Alice Henry at the regular meeting of the Marin Parent-Teacher Association on May 11. Mrs. George Klarmann, president, will call the meeting to order promptly at 2:30 p. m. in the Marin School auditorium.

Mrs. Henry is Supervisor of Child Guidance Services in the San Francisco City Schools. There will be a question and answer period when members may discuss individual problems.

Entertainment by the Kindergarten and the Boys Glee Club has been arranged. Featured also on the program will be the Art Chairman, Mrs. W. R. Ross, and the Music Chairman, Mrs. Owen E. Shore. An exhibit of art through the grades will be displayed in the auditorium.

Kindergarten mothers will be hostesses and invite anyone who is interested to attend. There will be competent adults to care for small children during the meeting.

Mrs. George Klarmann has been elected to represent Marin P.T.A. at the annual convention of the California Congress of Parents and Teachers in Sacramento, May 12 to 14.

Soloists with the choir are Joyce Brogdon and Gerald Gilbert. Consisting of over 100 students, this fine group of young voices has been praised as one of the best in the Bay Area. They will be heard on May 27 in an all-school concert by the music departments of Albany High School.

Theodore Kirk, lieutenant commander of the Maccabees has urged all members to attend with their wives and friends.

Americanism chairman Mrs. Una Roderick, announces she will have the Citizenship Class from the Albany High School as guests of the evening.

Sewing Chairman Mrs. Bessie Scott states the Sewing group will meet at the home of publicity chairman Juanita Cooke, 636 Spokane Ave., Thursday evening May 13. Articles are being made by the members requested by the Veterans hospital at Livermore.

Albany Woman Seeks Student Nurses for S.F. Child Hospital

Applications for the School of Nursing, Children's Hospital, in San Francisco, are now being received for classes beginning next September, according to Mrs. Winifred Chapman, of 1074 Peralta Avenue, Albany.

Mrs. Chapman recently returned from an alumni reunion of the graduates of the School, held in San Francisco, during which time she was appointed as a member of the Public Relations Field Committee. Her duties on this committee will be to answer inquiries on application procedures, and to furnish information on the qualifications and benefits of the nursing profession to young women of this community.

Last Rites Monday For John A. Cull

A Masonic funeral service was held at 3 p. m. Monday, May 3 from the Dellenbaugh Hall Mortuary in Oakland for John Augustine Cull, 76, who passed away at the Herrick Memorial Hospital after a short illness.

A native of New York State, Cull lived alone at 814 Stannage Ave. He had no known relatives. Known locally for his many novels of early California, Mr. Cull was working on a new book at the time of his death. His last completed work was "The Bride of Mission San Jose."

Grand Opening Sat. For Serve-Well Store

Latest addition to the growing list of new Albany business enterprises is the Serve-Well Hardware and Home Supply Stores at 749 San Pablo Ave. The Serve-Well will have their grand opening on Saturday, May 8 with gifts for all and free ice cream for the children.

Owned and operated by George R. Brooksbank, the Serve-Well will bring to Albany a complete line of Dutch Boy Paints as well as items for the home and garden from nationally known manufacturers. With his many years' experience in the paint and hardware business, Brooksbank is well qualified to offer accurate, friendly advice, to home owners.

W. J. Bowman, of the Albany Federal Savings and Loan Association, 1337 Solano, has recently been appointed as a member of the 1948 Accounting Committee of the United State Savings and Loan League.

LOCAL EAGLES TO JOIN NATION-WIDE PROGRAMS HONORING MOTHERS

Members of Bayview Aerie No. 2323, Fraternal Order of Eagles will take part Friday, May 7 in a nation-wide tribute to American Mothers. Flowers will be sent by the local Aerie to churches throughout the city for Sunday services and Worthy President Matt Zack has predicted it will be "the greatest Mother's Day celebration in history."

MORGAN'S MEANDERINGS

By M. S. T.
Harken to the sad story of Jack O'Leary, Superintendent of Albany Streets and therefore a guy who should know better. Seems Jack went off up St. Helena way for a fishing jaunt and came back with nothing but a traffic ticket for parking where he shouldn't orta.

Councilman Bert Hill beat his colleague "Buzz" Cleary to the punch for the first time in six years Monday night in moving to adjourn Council meeting.

Across the bay in San Francisco, scribe Herb Caen found it was news to him that Albany's Kathie Zahn was behind the placing of a sign in the Key System terminal there. Said sign prohibits the use of the building for any gathering other than commuters waiting for transportation. Her experience of being mistaken for "Mrs. Raleigh" by a money mad horde jamming the terminal one day last fall led Kathie to keep after the Railroad Commission until the sign was posted.

Tom Gaberale of the Lexicon Radio and Appliance Co. is now en route to Brooklyn where he will visit his parents whom he has not seen for many years. While there he plans to look in on the Maccabees to see how they do things in Brooklyn. His wife, Edyth, will be in charge of their store at 563 San Pablo Ave. while he is away.

Chosen as convention delegates were Donahue, George McConnell, G. D. Gaeta and Don La Plante. All officers will be installed on June 7.

The Newlywed Stallones Honeymooning In Mexico

When they return from their honeymoon, the newlywed Dr. and Mrs. Victor Stallone Jr., will make their home in Albany. They are now on a trip to the Ojeda Dude Ranch, and Carmel Valley. They also plan to fly to Guaymas, Mexico and do some sword fishing.

The popular young doctor claimed his bride, the former Jeanne Ann Thennis of Wauby, South Dakota at a formal nuptial mass held April 24 at 10:30 a. m. in St. Ambrose Catholic Church with the Rev. James K. Cloberty officiating. In the absence of her father, Nick Thennis of Wauby, the bridegroom's father, Vito Stallone of Albany gave the bride in marriage.

The bridegroom chose his brother, Dr. Jasper J. Stallone of Berkeley as best man and ushers were Joseph Monti and Jasper Leone of San Francisco. Both are cousins of the bridegroom.

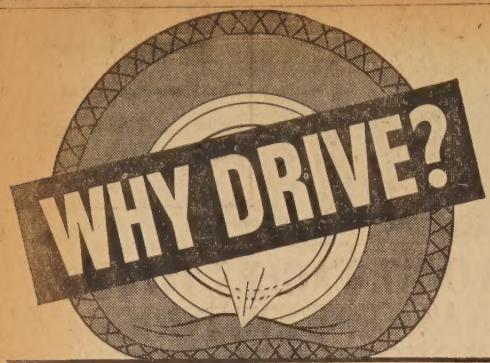

Antoinette Stallone stood with her new sister-in-law during the service. Little Antoinette Stallone, niece of the bridegroom was the flower girl and a small nephew, William David Stallone was the ring-bearer.

Immediately after the ceremony a wedding breakfast was held at Lake Merritt Hotel for members of the family and later in the afternoon the two received their friends there on the Cascade Terrace.

Dr. Stallone graduated from U.C. and served as a Navy lieutenant for three and a half years. He is a member of the Albany Junior Chamber of Commerce.

Dr. and Mrs. Victor Stallone (Jeanne Ann Thennis) pause on the steps of St. Ambrose Church as photographers record the happy day of their marriage on April 24.

Do You Want \$1000 on May 1st 1952?

The Federal income tax reduction will help you achieve this goal with a minimum of effort on your part. Most of us are able to save at least a couple of dollars a week at present. After May 1st Uncle Sam makes it possible to add to these weekly savings.

Some of you may be able and anxious to save up to ten dollars each week. Whether it's \$4.72 or \$9.52 a week, our H.O.M. Savings Plan is designed to help you put system into your savings and to hang on to those elusive dollars. For example:

To Save \$1000 In	Weekly Payments	You Deposit Altogether	We Pay Interest	You Receive
206 weeks	\$4.72	\$972.32	\$27.68	\$1000.00
103 weeks	9.52)	985.28	14.72	1000.00
1 week	4.72)			

(You receive 1½% interest from the first deposit. Monthly or semi-monthly payments are optional)

Now check the chart below and see what your approximate weekly tax reduction will be after May 1st.

Recent Shower Honors Dorothy Christensen
 April showers proved especially delightful to Dorothy Christensen, who will be married on May 22, when a bridal shower was given recently in her honor at the home of Jeline Hanson, 621 Carmel Ave. Ann Hedquist served as co-hostess. Dorothy will wed John Negley of Oakland. She is the daughter of Mr. and Mrs. William Christensen of 839 Curtis St.
 The colors and spirit of spring were carried out in the setting and decorations of a beautifully appointed table.
 Guests honoring Dorothy included the Misses Gertrude Clatt, Pat Matheny, Lorraine DeMaria, Ramona Sartain, Mary McKellop, Lorraine Green, Joan Hickman, Janie Davis, Bonnie O'Brien, Marilyn Robin, Jean Wood, Barbara Van Camp, Ilene Godfrey, Betty Matatas and the Mesdames Edna Christensen, Eva Negley, Clara Hanson, Luisa Hanson, Margie DeMaria, Madeline Simonson, Joann Greeson and Kay Kirk.

Albanyans Backing Dr. W. A. Robinson
 Volunteer precinct organization to back the candidacy of Dr. Wilfred H. Robinson for Supervisor, Fourth District, in the June 1 election, is being formed by Dr. Robert Taylor and R. F. "Buzz" Cleary for the Albany area. A group of 100 has responded to the call for active participation to elect Dr. Robinson. An executive committee will be announced next week, Dr. Taylor said.
 "We are supporting Dr. Robinson because he is the right man for the job, with a far-sighted program and pledged to reduce taxes through increased efficiency of government and equalized tax assessments," Dr. Taylor declared.

What is the Electro-Way Method of Spot Reducing?
Why Is It So Successful? How Is It Used?

**Quick picture of
America's biggest
power-building program**

In three and a half short years...between now and the end of 1951...P. G. and E.
will add nearly two million horsepower in generating capacity. To help you
understand how big this program really is, here are some comparisons.

**More power than was needed to
meet all the pre-war requirements of
Northern and Central California will be
added.**

**The program is creating jobs for
thousands of men. The estimated peak
work force will exceed 6,000.**

**It's the biggest program of any elec-
trical utility in America today, costing
more than \$400,000,000. It is now pro-
ceeding at more than \$10,000,000 a month.**

New Plant Schedule
It takes time to build power
plants...more than three years
to build a steam generating
plant. Like everyone, we were
delayed by wartime restric-
tions and postwar building
problems. Some of the orders
for equipment have been held
up many months. But, we're
making steady progress now.
Here's a schedule of major new
plants and completion dates,
which will be met unless there
are further unforeseen delays.

**Added to previous totals, the new
power will give P. G. and E. a generating
capacity about three times that of
Hoover Dam.**

Or 8 times greater than Shasta Dam.
This program, now in its third year, is
going full speed ahead!
